

EXTENDED WARRANTY & SERVICE CONTRACTS - PRICE LIST (GBP excluding VAT)

(Applicable to **KODAK & CREO** iQsmart and EverSmart scanning products as indicated below, updated 1/1/2011)

CPS provides a number of Extended Warranty and Service Contract products that are designed to help prevent failure of your scanner where possible and to minimise downtime in the event that something does go wrong. Please read the Extended Warranty and Service Contract Guidelines document (EW/SC GUIDELINES.pdf) carefully for a general overview of the service cover we provide, full terms and conditions are contained in our EW/SC Agreement, an example is available to view at www.cpsnet.co.uk.

Two types of cover are available: Standard and Comprehensive. Standard Cover provides protection against breakdown and includes all mechanical parts and labour, Comprehensive Cover includes an on-site service visit and many other benefits, details below.
