### IMPORTANT NOTES:

1. THE ABOVE CONFIGURATIONS ARE THE ONLY COMBINATIONS SUPPORTED BY KODAK AND CPS.
2. Using a non-supported configuration may damage your scanner and/or Macintosh Computer.
3. USING A NON-SUPPORTED CONFIGURATION INVALIDATES ALL WARRANTY, EXTENDED WARRANTY AND SERVICE CONTRACT COVER.
4. oXYgen Scan software should **ONLY** be used with the original Mac OS software supplied with your computer or a **COMBO** upgrade (preferably from DVD).
5. Intermediate Mac OS upgrades downloaded over the internet will corrupt your oXYgen scanning software installation, preferences and scanner drivers.
6. USING AN INTERMEDIATE MAC OS UPGRADE DOWNLOADED OVER THE INTERNET INVALIDATES ALL WARRANTY, EXTENDED WARRANTY AND SERVICE CONTRACT COVER.
7. oXYgen Scan software is **ONLY** compatible with G4 Power PC, G5 Power PC, G5 Intel and Mac Pro computers.
8. oXYgen Scan software is **NOT** compatible with any iMac, Mac Laptop or Mac Mini computer.
